**1. Public Access to ECB Documents – a revised ECB policy**

Issue:

Following the LEGCO meeting in May 2003, the texts of the Constitutional Treaty were agreed upon by the Convention on the Future of Europe on 13 June 2003. The new text of the Constitutional Treaty foresees that all institutions, agencies and bodies, thus including the ECB, lay down specific provisions for public access to documents. In the light of these new constitutional provisions and on the basis of written information submitted by the members of LEGCO containing descriptions of the national rules governing the access to NCB and ECB
